Information and Disclosures:

Assignment to Community Trust I or Community Trust II:

NYSARC, Inc. retains the right to assign an account under this Joinder Agreement to either Community Trust I or Community Trust II based upon its classification as a “Pass-Through” account. A “Pass-Through” account is defined as any account where the beneficiary will be depositing a monthly income spend-down.

Community Trust I versus Community Trust II:

Donor understands that Community Trust I and Community Trust II are identical in all **material** respects with the exception of fees. Fees assessed under Community Trust II may be higher due to the greater administrative costs associated with administering “Pass-Through” accounts. Donor acknowledges that he/she has reviewed the respective fee schedules of Community Trust I and Community Trust II and has no objection to NYSARC, Inc. assigning him/her to Community Trust II if the account is determined by NYSARC, Inc. to be a “Pass-Through” account.

Death of Beneficiary:

- a. **The Beneficiary’s sub-trust account terminates upon his or her death.** If, upon the death of the Beneficiary, funds remain in his or her sub-trust account, such funds shall be deemed to be property of the Trust and all funds that are remaining in the Beneficiary’s separate sub-trust account shall be retained by the applicable **NYSARC, Inc. Community Trust** to further the purposes of that Trust. However, to the extent that amounts remaining in the individual’s sub-trust account upon the death of the individual are not in fact retained by the Trust, the Trust shall pay to the State(s) from such remaining amounts in the sub-trust account an amount equal to the total amount of medical assistance paid on behalf of the individual under the State Medicaid plan(s). To the extent that the trust does not retain the funds in the account, the State(s) shall be the first payee(s) of any such funds and the State(s) shall have priority over payment of other debts and administrative expenses except as listed in the POMS [SI 01120.203.E](#).
- b. Funeral expenses can only be paid pursuant to a Medicaid eligible pre-need funeral arrangement established and funded prior to the Beneficiary’s death. **Funeral expenses cannot be paid after the Beneficiary’s death.**

Contributions/Deposits:

- a. All contributions made to the sub-trust account will be held and administered pursuant to the provisions of the applicable **NYSARC, Inc. Community Trust I or II** which are incorporated by reference herein.
- b. The Trustees shall have the sole and absolute right to accept or refuse additional deposits to the sub-trust account.
- c. In the event that a Beneficiary has a zero (\$0) sub-trust account balance for sixty (60) or more consecutive days, the Trustee shall retain the right to close the Beneficiary’s sub-trust account. Please be advised that the Trustee may continue to charge administrative fees for the management of the sub-trust account prior to its closure. In the event that a Beneficiary wishes to re-open a sub-trust account, the Beneficiary may be required to pay any outstanding administrative fees stemming

from the prior sub-trust account. Additionally, the Beneficiary shall be required to pay a new enrollment fee when re-opening a sub-trust account.

Disbursements:

- a. All disbursement requests shall be reviewed and approved on an individual basis.
- b. Disbursements for expenses incurred more than ninety (90) days prior to submission of a disbursement request form shall not be paid.
- c. The Trustees, in their discretion, have determined that disbursements for the following items shall not be paid: purchases of firearms, alcohol or tobacco, items relating to illegal activity, bail, or restitution.
- d. All disbursements shall be made at the sole and absolute discretion of the Trustee.
- e. No disbursements can be made after the death of the Beneficiary, even for expenses incurred or due prior to death.

Disability Determination:

In the event that a determination of disability is required for Medicaid purposes, please be advised that administrative fees shall be incurred while the determination of disability is being made.

Taxes:

- a. The Donor acknowledges that contributions to the **NYSARC, Inc. Community Trusts** are not tax deductible as charitable gifts, or otherwise.
- b. Sub-trust account income may be taxable to the Beneficiary.

Disclosure of Potential Conflict of Interest:

There may be a potential conflict of interest in the administration of the Trust since the Trust retains those funds remaining in the sub-trust account at the time of death of the Beneficiary. Funds remaining in the Trust may be used to pay for ancillary and/or supplemental services for Beneficiaries and potential Beneficiaries for which services may be rendered by a **Chapter of NYSARC, Inc.** or by **NYSARC, Inc.** itself.

The Donor(s) executing this Joinder Agreement is/are aware of the potential conflicts of interest that exist in the Trustee's administration of the Trust. The Trustee shall not be liable to Donor or to any party for any act of self-dealing or conflict of interest resulting from their affiliations with **NYSARC, Inc.** or with any Beneficiary or constituent agencies and/or Chapters.

Situs:

The sub-trust account created by this Agreement has been accepted by the Trustee in the State of New York and will be administered by **NYSARC, Inc.** and a financial institution in the State of New York. The validity, construction, and all rights under this Agreement shall be governed by the laws of the State of New

York. The situs of this Trust for administrative, account and legal purposes shall be in the County of Albany, the County where the majority of meetings concerning establishment of the Trust occurred.

Invalidity of any Provision:

Should any provision of this Agreement be or become invalid or unenforceable, the remaining provisions of this Agreement shall be and continue to be fully effective.
