

## Why Choose NYSARC Trust Services?

### Experienced Benefit Protection

NYSARC has administered supplemental needs trusts since 1972, helping thousands of people protect benefits and improve their quality of life.

### Exceptional Customer Service

Our responsive and caring staff are available weekdays from 8 am - 5 pm providing multi-lingual support to help each beneficiary get the most benefit from the trust.

### Low Monthly Fees

Administrative fees cover all monthly trust activity. We charge no hidden fees or annual renewal fees. This leaves more money in your account to pay bills.

### Unlimited Monthly Requests

No limit on the number of disbursement requests you can submit each month, so you will never be charged extra for using your trust account to make purchases.

### Automate Monthly Deposits

Enroll in our FREE E-deposit program to have income deposits securely transferred from your bank into the trust each month without having to mail a check.

### Pay Recurring Bills Automatically

Simplify monthly finances by setting up recurring bills, such as your rent, mortgage, and property maintenance fees, to be paid automatically from your trust each month.

### Maintain Benefit Eligibility

We offer monthly verifications of deposits and unlimited account statements to help you maintain continuous coverage. Annual reports are available upon request for recertification.

### Online Portal & 24/7 Phone Line

Monitor account activity at your convenience using NYSARC's online portal or automated phone line. Check account balances and track deposits and disbursement requests 24/7.
